

VIT-AP
UNIVERSITY
Apply Knowledge. Improve Life!

45th Annual Convention of INDIAN SOCIETY FOR PROBABILITY AND STATISTICS (ISPS)

in Conjunction with

International Conference on Recent Advances and Innovative Statistics with Enhancing Data Science (IC- RAISE DS)

22-24th December, 2025

Pre-Annual Convention Workshop on
“Data Science & Machine Learning”

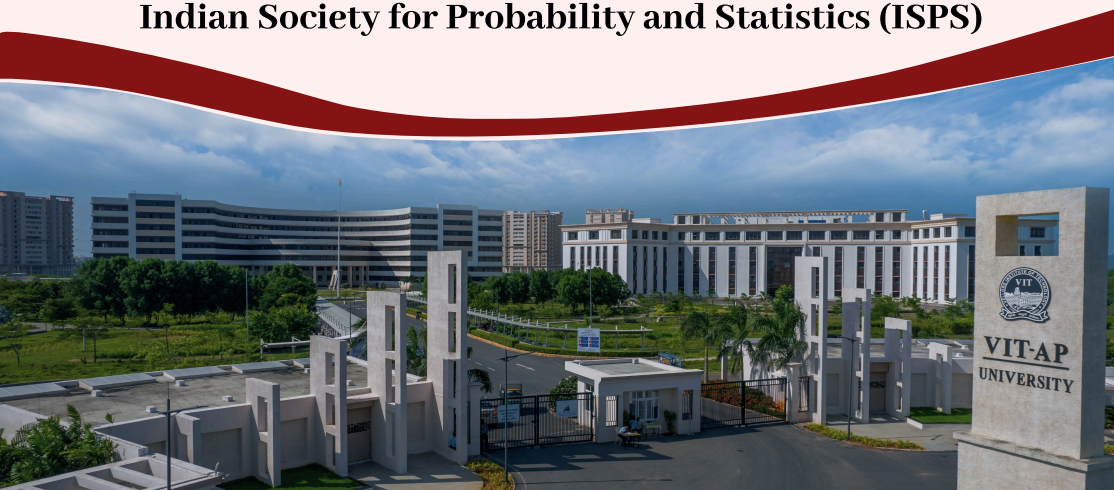

(for ISPS Members)

21st December, 2025

Jointly organized by

**Department of Mathematics, School of Advanced Sciences
VIT-AP University, Vijayawada &
Indian Society for Probability and Statistics (ISPS)**

**DEADLINE
EXTENDED**

Dr. Vasili B V Nagarjuna, Convener
✉ nagarjuna.vasili@vitap.ac.in

Organizing Committee

Dr. G. Viswanathan

Founder & Chancellor, Vellore Institute of Technology

Mr. Sankar Viswanathan

Vice President, VIT University

Dr. Sekar Viswanathan

Vice President, VIT University

Dr. G. V. Selvam

Vice President, VIT University

Patrons

Dr. S. V. Kota Reddy

Vice-Chancellor, VIT-AP University

Dr. Jagadish Chandra Mudiganti

Registrar, VIT-AP University

Chair Person

Prof. S. Srinivas

Dean SAS

Convener

Dr. Vasili B V Nagarjuna

Co-Convener

Dr. V Ramakrishna Reddy

Organising Secretary

Dr. Siva G

Co-Organising Secretary

Dr. Faizan Danish

Conference Secretaries

Dr. K. Mahipal Reddy

Dr. Francis P

Dr. Varunkumar M

Dr. V. Raja

Dr. K. Durga Prasad

Dr. Prashant Patel

Dr. Satyanarayana B

Dr. Ramesh A

Dr. S Prakash

Dr. Yada Nandukumar

Dr. Gokulnath M

Dr. K. Panduranga

Dr. Ravi Kumar B

Dr. M. Phani Kumar

Dr. N. Rajasekhar

Dr. Ravi Kumar Davala

Dr. N. Nagamani

Dr. Astha Madonna Sathe

Dr. Chandan Kumar T

Dr. P. Karunakar

Dr. Manimaran A

Dr. Riya

Dr. S. Umesh Reddy

Dr. Kavikumar R

Prof. N. Balakrishna, IIT-T

Dr. Prafulla K Swain, UtU

Prof. B. S. Biradar, MU

Prof. Rama Shanker, Ass-U

Dr. Anghshuman Roy, IIT-T

Prof. V.K. Singh, BHU

Prof. M.S. Kadyan, KUK

Prof. Jitendra Kumar, CURAJ

Prof. Devendra Kumar, DU

Prof. Gajendra Vishwakarma, IIT-Dh

Dr. Chiranjeevi Gudala, ISS

Dr. M. Venkateswaran, MU

Dr. Mubashir Unnissa, VIT-V

Dr. Santanu Mandal, VIT-AP

Dr. Gaddam Sarath, DRDO

Dr. Damodar Reddy, SRM-AP

Dr. Sridhar Akiri, GITAM-AP

ABOUT THE CONFERENCE

The theme of the conference explores how recent advancements in statistical methods enhance data science, enabling more robust data analysis, precise forecasting, and powerful machine learning models. It delves into new statistical techniques and tools that improve data interpretation, optimization, and decision-making, shaping the future of industries through better insights and innovations. It explores the transformative role of advanced statistics in fields such as machine learning, artificial intelligence, and big data analytics, with an emphasis on enhancing the effectiveness and efficiency of data-driven decision-making across various industries.

ABOUT THE VIT-AP UNIVERSITY

VIT-AP University, located in the city of Amaravati, Andhra Pradesh, is renowned for its commitment to innovation and academic distinction. As part of the prestigious VIT group, with a legacy spanning over 40 years, VIT-AP offers a unique blend of academics, and opportunities for holistic development. With a strong emphasis on ethical values, sustainability, and inclusivity, the university nurtures well rounded individuals to make a positive impact on society. VIT-AP attracts students from across the globe, providing them with a vibrant and supportive environment. Guided by the motto Apply Knowledge. Improve Life!, VIT-AP University remains dedicated to transforming education into a tool for societal advancement. Visit vitap.ac.in to learn more.

ABOUT THE SCHOOL

The School of Advanced Sciences (SAS) at VIT-AP University comprises of the Department of Mathematics, Physics, and Chemistry, with over 150 faculty members. SAS fosters a dynamic learning environment through project-based learning (PBL), promoting critical thinking, research, and innovation. The school equips students with a strong foundation in natural sciences while encouraging exploration of modern technological and statistical advancements. With a vision for leadership in research and technology development, SAS VIT-AP aims to produce skilled professionals prepared to tackle current and future challenges.

ABOUT THE CITY OF VICTORY - VIJAYAWADA

Vijayawada, in Andhra Pradesh, is a vibrant city known for its rich cultural heritage and economic importance. Dubbed the "City of Victory," it lies on the banks of the Krishna River and serves as a key commercial hub for South India. Notable landmarks include the iconic Kanaka Durga Temple, a major pilgrimage site, and the Undavalli Caves, renowned for their stunning rock-cut architecture. With an economy driven by agriculture, trade, and industry, Vijayawada is also home to a growing infrastructure in education and healthcare.

ABOUT AMARAVATI

Amaravati, the capital of Andhra Pradesh, is a city that seamlessly blends its ancient Buddhist heritage with modern urban development. Officially designated as the capital in 2015, it is home to the historic Amaravati Stupa and features a master plan by renowned architect Norman Foster. Situated on the banks of the Krishna River, Amaravati boasts picturesque waterfronts, smart infrastructure, and well-planned cultural and recreational spaces. With its focus on sustainability, education, and efficient governance, the city is emerging as a vibrant hub of innovation and progress, embodying the aspirations of its people for a dynamic future.

INDIAN SOCIETY FOR PROBABILITY AND STATISTICS (ISPS)

The Indian Society for Probability and Statistics (ISPS), established in 1981 at Sri Venkateswara University, Tirupati, Andhra Pradesh, stands as the largest statistical community in the country. It is dedicated to advancing statistical education, research, consultancy, and the promotion of statistical science. Over the years, ISPS has significantly contributed to the growth, application, and dissemination of statistical knowledge through its annual conventions held across the nation, from east to west and north to south, at various university centers. These activities are supported by its expanding membership, publications, workshops, seminars, conferences, and advocacy for the importance of statistical education. To meet the demands of modern science and technology, ISPS emphasizes contemporary trends and innovative approaches, particularly in data science, to enhance the study and application of statistics. The society organizes a wide range of workshops, training programs, and annual conventions to achieve these objectives. Furthermore, ISPS publishes its research journal, Journal of the Indian Society for Probability and Statistics, in collaboration with Springer, serving as a platform for disseminating cutting-edge research in statistical science.

ISPS Executive Committee

Hon. President

Prof. P Rajasekhara Reddy, SVU

President

Prof. P G Sankaran, CUSAT

Vice- Presidents

Prof. S. Somesh Kumar, IIT-Kh

Prof. Sharada V Bhat, KU

Secretary

Prof. R L Shinde, NMU

Joint Secretary

Dr. Neha Garg, IGNOU

Treasurer

Dr. M Hemanth Kumar, DU

ISPS Journal Chief Editor

Prof. Debasis Kundu, IIT-K

Web Director

Dr. Girish Chandra, DU

EC Members

Prof. V S Vaidyanathan, PCU

Dr. G. Madhu Sudhan, UoA

Prof. Debasis Battacharya, SN

Prof. C. Satheesh Kumar, KU

Prof. K. Sampath Kumar, TU

Dr. Abhay Pratap Pandey, UoA

Dr. Abhimanyu Yadau, BHU

Prof. B. Sarojamma, SVU

CONFERENCE EVENTS

- Keynote Address
- Plenary Sessions
- Invited Sessions
- Memorial Session
- Endowment Sessions
- Contributory Sessions

ISPS AWARDS

- Fellow of ISPS Award
- Distinguished Statistician Award
- Best Research Paper Award
- Best Poster Award
- Young Researcher Award
- Best Ph.D. Thesis Award
- Student Project Competition Award

CALL FOR PAPERS

The original and unpublished research papers from academicians, researchers, industrialists, and students are invited to be presented during IC - RAISE DS - 2025 in the following themes.

- Probability Theory
- AI & Machine Learning
- Statistical Inference
- Time Series Analysis
- Survey Sampling
- Planning and Experimental Designs
- Statistics in Management
- Statistical Quality Control
- Spatial Statistics
- Distribution Theory
- Operations Research
- Applied Mathematics
- Population Studies
- Data Science Techniques
- Mathematical Modelling
- Econometrics
- Stochastic Modelling
- Bayesian and Fuzzy Statistics
- Bio-Statistics
- Agricultural Statistics
- Environmental Statistics
- Reliability and Survival Analysis
- Applied Statistics
- Multivariate Analysis
- Actuarial Statistics
- Official Statistics
- Multi-Disciplinary Research

ABSTRACT GUIDELINES

The abstract of paper should be focused on items such as objective of the study, methodology, research findings, significance and scope of the study in the prescribed format through www.raiseds25.com website in your profile only.

REGISTRATION AND PAYMENT LINKS

Conference Registration

- First, sign up on the website to create your account.
- Then, log in and proceed to fill in the required registration details.
- Visit the official conference website at [click here](#)

Payment Instructions

- Log in to the website and click on “Register” to view the payment options.
- Select the appropriate participant category by referring to the Registration Fee Details section provided in this brochure.
- For payment, visit the university's events portal at [click here](#)

REGISTRATION FEE

Participants	ISPS Life Members			
	Workshop fee before 20.11.2025	Workshop fee after 20.11.2025	Conference fee before 20.11.2025	Conference fee after 20.11.2025
Faculty / Scientists	₹ 1,000	₹ 1,500	₹ 4,000	₹ 5,000
Industry personnel	₹ 1,000	₹ 2,000	₹ 5,000	₹ 6,000
Research Scholars/ Students	₹ 700	₹ 1,000	₹ 2,400	₹ 3,000
Foreign delegates	US\$ 80	US\$ 100	US\$ 240	US\$ 280
Accompanying person	₹ 700	₹ 1,000	₹ 3,000	₹ 4,000

IMPORTANT DATES

Participants	Other Participants	
	Conference fee before 20.11.2025	Conference fee after 20.11.2025
Faculty / Scientists	₹ 5,000	₹ 6,000
Industry personnel	₹ 6,000	₹ 7,000
Research Scholars/ Students	₹ 3,000	₹ 3,500
Foreign delegates	US\$ 300	US\$ 350
Accompanying person	₹ 3,000	₹ 4,000

Description	On or Before
Submission of Abstracts	Nov 1, 2025
(Extended date up to)	Nov 20, 2025
Early Bird Registration	Nov 20, 2025
Submission of Full Length Paper	Dec 12, 2025
Pre-Conference Workshop	Dec 21, 2025
Dates of Conference	Dec 22-24, 2025

Note: Accompanying person will not be provided the conference kit.

PRINTING OF PROCEEDINGS

Conference selected papers will be published by the reputed publishers as Special Issue after reviewing the full length papers by the editors and reviewers. Few more publishers awaiting in Queue.

Selected papers published* at [Boletim da Sociedade Paranaense de Matemática](#) (Scopus Q3, IF 0.4)

ACCOMMODATION

Only limited accommodation to the delegates/participants on twin sharing basis will be made available by the organizers in the Guest Houses/Hotels on requests for which the tariffs have to be borne by them. However, participants are encouraged to make their own arrangements for accommodation.

HOW TO REACH VIT-AP UNIVERSITY

✈ BY AIR:

The nearest airport is Vijayawada International Airport (Gannavaram), located 45 km from the campus. You can take a taxi or cab (approximately 1 hour) to reach the university. Vijayawada is well-connected by domestic flights to cities like Hyderabad, Chennai, Bangalore, and Delhi.

🚆 BY TRAIN:

The closest railway stations are Vijayawada Junction (20 km, approx. 40 minutes by taxi/auto) and Guntur Railway Station (33 km, approx. 1 hour by taxi/auto). Vijayawada Junction is a major hub with excellent connectivity to cities across India.

🚌 BY ROAD:

The campus is 20 km from Vijayawada Bus Stand and is accessible via National Highway-16 (NH-16). From Vijayawada or Guntur, you can use APSRTC buses, private buses, or hire a taxi (30-45 minutes). Buses from Hyderabad, Chennai, or Bangalore connect to Vijayawada/Guntur, from where you can take a local cab to the university.

TOURIST ATTRACTIONS

KANAKA DURGA TEMPLE, VIJAYAWADA

The Durga temple is located on the top of a hill called Indrakeeladri at the entrance of the city. This holy shrine of Goddess Durga is a Swayambhu (self-manifested) and is the second largest temple in Andhra Pradesh. A holy dip in river Krishna is also a big highlight of the place. Temple is located near Vijayawada Bus stand and Railway station.

Distance from VIT-AP: 19 KM | Est. Time: 40 Min

BEACHES NEAR VIJAYAWADA

The beaches near Vijayawada, though limited in number, are known for their serenity, golden sands, and beautiful sunrises and sunsets. Manginapudi Beach, 11 km from Machilipatnam, Suryalanka Beach, 90 km away, is popular for its sweeping views and ideal swimming conditions. Chirala beach is known for its tranquility, scenic beauty, hospitality. Each offers a perfect spot to unwind and enjoy the coastal charm.

Distance from Vijayawada: 100 KM | Est. Time: 2 Hrs
