

1. Welcome to 45th Annual Conference of ISPS with conjunction with VIT-AP University.
2. Click on **Sign In** Option.

3. For the **First time** User click on **Register** option. Already existing user, Sign In as your registered mail ID and password.

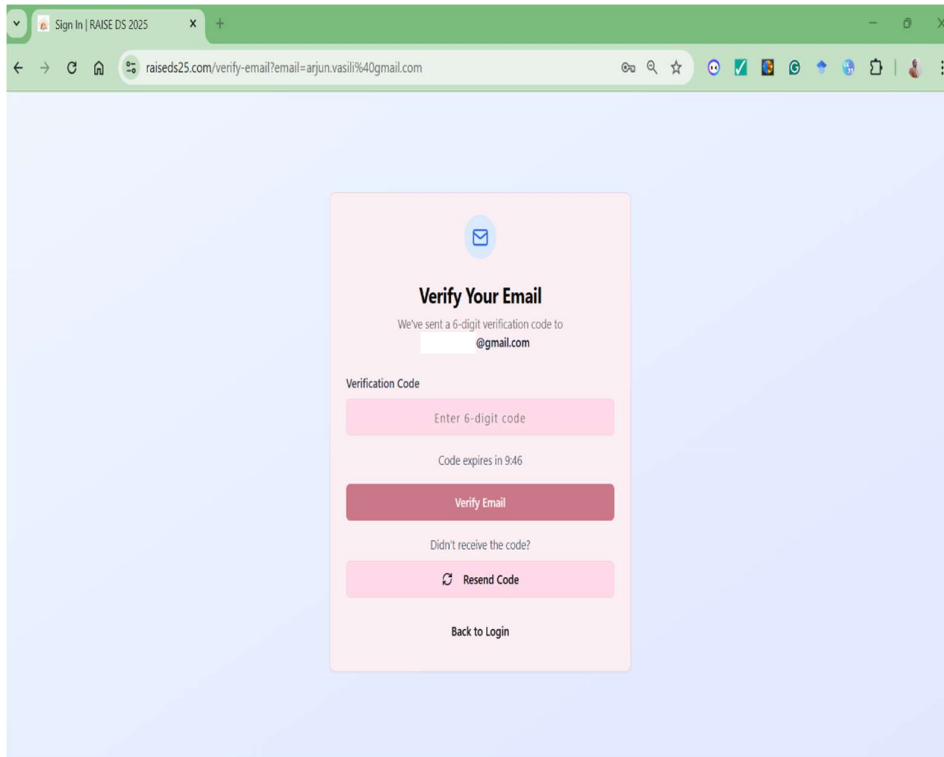

4. In **Register** option, Once fill the respective details then click on **Create account**.
(Please Use **one Email ID** for all the communications.)

The screenshot shows the RAISE DS 2025 registration page. The top navigation bar includes links for Home, About, Papers, Awards, Committee, Register, and a Sign In button. The 'Register' tab is active. The 'Create Account' form is displayed with the following fields: First Name (John), Last Name (Doe), Email (john.doe@example.com), Username (johndoe), Institution (University of Example), and Password (masked with dots). A 'Create Account' button is at the bottom of the form. To the right, the 'RAISE DS 2025' section describes the event as the 45th Annual Convention of the Indian Society for Probability and Statistics (ISPS) in conjunction with the International Conference on Recent Advances and Innovative Statistics with Enhancing Data Science. It lists three benefits: Statistical Research (presenting research and connecting with experts), Knowledge Exchange (participating in workshops and networking), and Global Community (connecting with researchers worldwide).

This screenshot shows the same RAISE DS 2025 registration page, but the 'Create Account' form is now filled out with example data. The fields are: First Name (Vasili), Last Name (B V Nagarjuna), Email (nagarjuna.vasili@vitap.ac.in), Username (Vasili B V Nagarjuna), Institution (VIT-AP University), and Password (masked with dots). A blue bracket highlights the form fields. The 'RAISE DS 2025' section and its benefits remain the same as in the previous screenshot.

5. If you Click on **Create Account** option, then it will display an OTP based window.

The screenshot shows a web browser window with the URL `raiseds25.com/verify-email?email=arjun.vasili%40gmail.com`. The page has a light blue background. In the center is a white card with a pink border. At the top of the card is an envelope icon. Below it, the heading "Verify Your Email" is displayed. The text "We've sent a 6-digit verification code to" is followed by a redacted email address ending in "@gmail.com". A section labeled "Verification Code" contains a pink input field with the placeholder "Enter 6-digit code". Below the input field, it says "Code expires in 9:46". There is a pink button labeled "Verify Email". Below that, the text "Didn't receive the code?" is followed by a pink button labeled "Resend Code" with a circular arrow icon. At the bottom of the card is a link labeled "Back to Login".

6. For registered Email a **6-digit** verification code was sent. Please **copy** that number for further use.

Email Verification

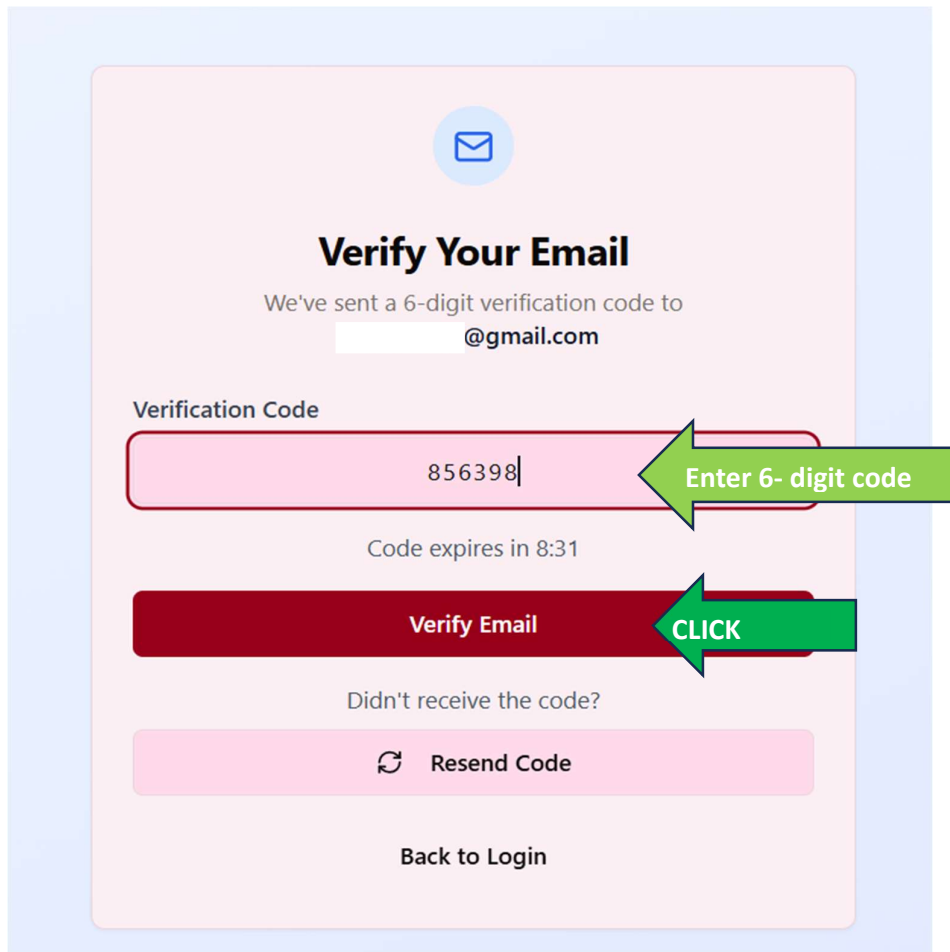

Hello Vasili ,

Thank you for registering for RAISE DS 2025. Please use the following OTP to verify your email address:

8 5 6 3 9 8

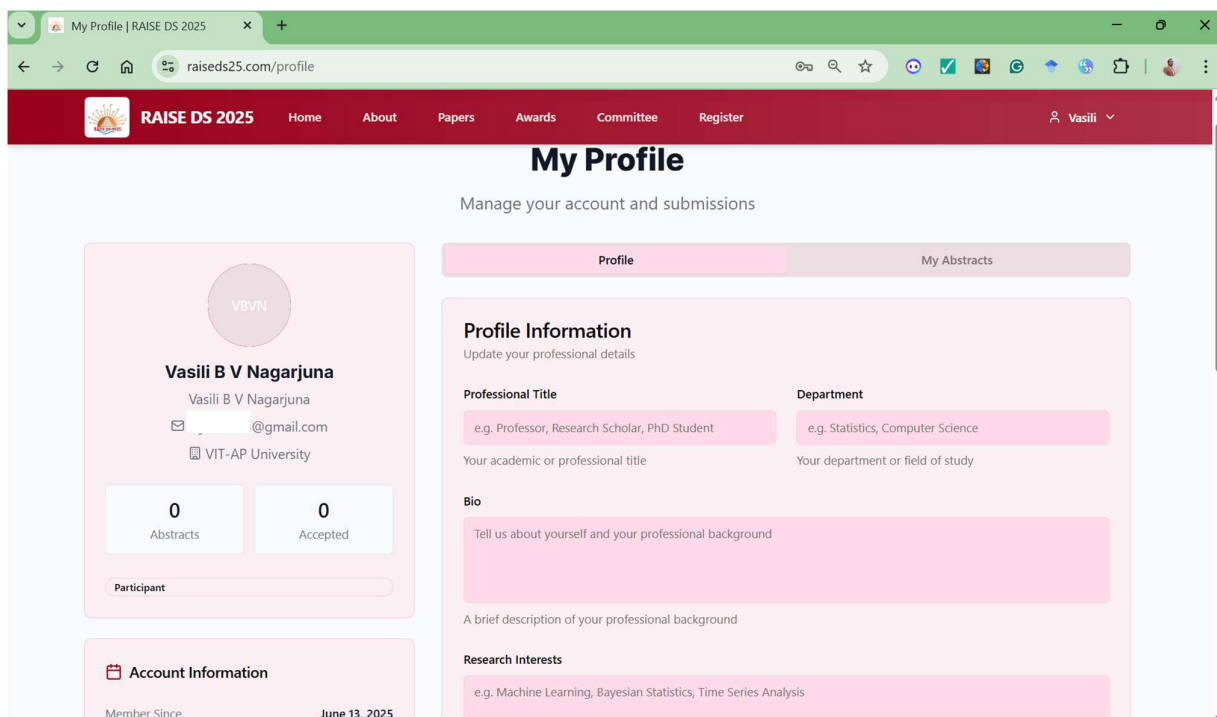

This OTP will expire in 10 minutes.

7. Enter a **6-digit code** from your registered Email. Then click on **Verify Email**.

The image shows a web interface for verifying an email. At the top, there is an envelope icon and the heading "Verify Your Email". Below this, it says "We've sent a 6-digit verification code to [redacted]@gmail.com". A "Verification Code" input field contains the text "856398". A green arrow points to this field with the text "Enter 6- digit code". Below the input field, it says "Code expires in 8:31". A red "Verify Email" button is present, with a green arrow pointing to it and the text "CLICK". Below the button, it says "Didn't receive the code?" and there is a "Resend Code" button with a circular arrow icon. At the bottom, there is a "Back to Login" link.

8. Then **Successfully** your Profile was Created. If you can fill an optional data for your own Profile.

The image shows a web browser displaying the "My Profile" page on the "RAISE DS 2025" website. The browser's address bar shows "raiseds25.com/profile". The page has a dark red header with the site logo, navigation links (Home, About, Papers, Awards, Committee, Register), and a user profile dropdown (Vasili). The main content area is titled "My Profile" and "Manage your account and submissions". It features two tabs: "Profile" (active) and "My Abstracts". The "Profile" tab contains a "Profile Information" section with fields for "Professional Title" (e.g., Professor, Research Scholar, PhD Student) and "Department" (e.g., Statistics, Computer Science). Below these are fields for "Bio" (Tell us about yourself and your professional background) and "Research Interests" (e.g., Machine Learning, Bayesian Statistics, Time Series Analysis). On the left side, there is a user profile card for "Vasili B V Nagarjuna" with a placeholder for a profile picture (VBVN), email address, and affiliation (VIT-AP University). It also shows statistics: "0 Abstracts" and "0 Accepted". At the bottom left, there is an "Account Information" section showing "Member Since June 13, 2025".

9. For Entering your Optional information Click on **Save Profile** option to save your data.

The screenshot shows the 'My Profile' page on the website raiseds25.com. The user is Vasili B V Nagarjuna. The page has a sidebar with 'Profile' and 'My Abstracts' tabs. The 'Profile' tab is active, showing a form with the following sections:

- Profile Information**: Fields for Professional Title (e.g., Professor, Research Scholar, PhD Student), Department (e.g., Statistics, Computer Science), Bio (Tell us about yourself and your professional background), and Research Interests (e.g., Machine Learning, Bayesian Statistics, Time Series Analysis).
- Personal/Academic Website**: A field for a website URL.
- Social Links**: Fields for Twitter/X (@username), LinkedIn (LinkedIn username), GitHub (GitHub username), and ORCID (ORCID ID).

A yellow arrow points to the 'Save Profile' button at the bottom right of the form.

10. From your Profile click on **My Abstracts** option. There will be **Submit Abstract** Option.

The screenshot shows the 'My Abstracts' page on the website raiseds25.com. The user is Vasili B V Nagarjuna. The page has a sidebar with 'Profile' and 'My Abstracts' tabs. The 'My Abstracts' tab is active, showing a message: 'No abstracts submitted yet. You haven't submitted any abstracts for the conference.' A red button labeled 'Submit an Abstract' is visible. A green arrow points to the 'Submit an Abstract' button.

11. Once Click on **Submit an Abstract** option, you have to fill the mandatory respective fields like Title of the your paper (Title) , Authors, Category, Keywords, Abstract content and Final **Submit Abstract**.

International Conference on Recent Advances and Innovative Statistics with Enhancing Data Science (IC- RAISE DS), 22-24th December, 2025.

Vasili B V Nagarjuna¹, Siva G¹

¹ Department of Mathematics, VIT-AP University

The theme of the conference explores how recent advancements in statistical methods enhance data science, enabling more robust data analysis, precise forecasting, and powerful machine learning models. It delves into new statistical techniques and tools that improve data interpretation, optimization, and decision-making, shaping the future of industries through better insights and innovations. It explores the transformative role of advanced statistics in fields such as machine learning, artificial intelligence, and big data analytics, with an emphasis on enhancing the effectiveness and efficiency of data-driven decision-making across various industries.
